

Aston Tower Community Primary School Newsletter

Headteacher: Mr Jonathan Moore

Issue: 57

Great SATs results once again

Once again, we have had another set of great SATs results. We are particularly pleased with the results we have had in Year 6, the Year 1 phonics test and Reception year results. Children in these year groups scored results above the national average. Well done to staff and pupils for their hard work.

Attendance award

Congratulations to Miss Duggan's class, 6D, for winning this year's school attendance prize. The class has the best attendance this year and have also won the most weekly awards for attendance. Their prize was a trip to go bowling at Star City and have £5 to spend there. In joint second place were Mr Sunder's and Mrs Choudhury's classes. They have also both won many weekly attendance awards. The shared prizes for those classes were pizzas from Pizza Hut and cookies. In third prize was Miss Harrington's year 1 class. This class has done very well and despite being among the youngest in our tournament were close to beating all of the other classes. Children in this class will each receive a book as a prize. A number of children also received a prize for coming to school every day - well done to those children. Good attendance is so important - make sure your child comes to school every day next school year! A thank you to Mrs Rai-Moore who arranged and chose the prizes.

Aston Tower's Graduation and Award Ceremony

This important event was held once again at King Edward VI (Aston) School and with parents attending. On this occasion we celebrated the graduation of our year 6 pupils as they prepare for secondary school. We celebrated their time at Aston Tower, all the things they have achieved and to wish them well for the future. It was also great to celebrate the achievements of one child from every class whose contributions have shone out this year. Well done to all of our award winners.

Nursery and Reception places

We have a few spaces in our nursery and reception classes for next year. If you have not signed up yet, please get in touch either by email or speak to the School Office for more information.

Friday afternoon club

If your child comes to Aston Tower, and if both parents work or go to college on a Friday afternoon, you can get free child care on Friday afternoons. Please contact the school office for more details.

Our grounds keep on getting better

We have been improving our school grounds. We have replaced, after talking to school council, the trim trail. This will encourage children to be active at play times and lunchtimes. We have also laid more artificial turf on a hard surface in the years 1 and 2 playgrounds. Over the summer work will take place to improve the children's toilets in the play ground.

Sports Day

We held four exciting Sports Days on our school field. Children took part in lots of activities to encourage them to be active and enjoy taking part in a competition. It was also nice to see so many parents attending. Thank you for coming - we hope you enjoyed the events.

Term Dates

Summer Term 2023

Term Ends: Friday 21 July 2023 at 12:10pm. There will not be a Friday afternoon club on this day. School will start for the next school Year on Tuesday 5 September at 8:35am.
