Really helpful thank you so much!

Very informative. I am a teacher and can see how much work you put in to help parents.

A good, clear delivery of information.

Many of my questions were answered. So, thank you.

Very pleased as it sounds like I can help my child so she will be less stressed.

I didn't realise how important the SATs tests were. I do now and will help my child at home with what you have suggested.

We will make sure...
