

Appropriate and effective Teaching & Learning (6)

The school will try to make sure that children with additional needs and their families are able to take part fully in school trips, performances and social events

The school takes all reasonable steps to ensure that all children are able to participate in educational visits, performances, social events and extra-curricular activities using one or more of the following:

- *Risk Assessments*
- *Parent/Guardian able to access the visits if required*
- *1:1 supportive adult for trips if required*
- *In line with the school's Accessibility Plan and our duty under the Disability Discrimination Act all reasonable adjustments are made for all pupils to access activities*
- *Preparing pupils for visits and events which may include pre-tutoring and photographs*
