Dear Parents,

Reminders about Covid-19

Please remember the Government's advice which says that if someone living in your house has **one** of the three Covid-19 symptoms you must **all stay at home straight away**. You and those living in your house must stay at home and your children can not come to school. The symptoms are:

- A high temperature
- A new, continuous cough
- A loss of, or change to, your sense of smell or taste.
-

The person with one of the symptoms must quickly get a test either by going to www.gov.uk/get-coronavirus-test or you can ring 119 for advice.

When you get the result, and it is negative, your child can come back to school unless someone else living in your house has symptoms. **Please do not send your child to school if someone in your house has symptoms or you are waiting for a test result.**

Presents

Many parents are very kind and generous and they give staff presents at Christmas. Because of Covid-19 we have to restrict the things sent from home and also the things we send from school to you. This year we are not sending home Christmas presents from school and we are asking you not to send any presents into school for staff. Hopefully we might be able to share presents at the end of the school year.

Term dates:

School closes for the Christmas and New Year holiday on Friday 18th December at 12:15pm. School opens for the new term on Monday 4th January 2021

If your child is unwell

If your child is unwell and cannot come to school, please let us know by doing the following:

1. Ring school before 8:30am
2. Leave an answerphone message saying your child's name, their class and the symptoms your child has.

Best wishes
