Dear Parents and Carers,

Coming to school even with mild illnesses

We have received a letter from the Chief Medical Officer about whether parents should send their child(ren) to school when children have a mild illness. New guidance about this has been put online. You can find it by going to <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Important advice is given about if your child has a minor cough, runny nose or sore throat. If your child has these symptoms, they should come to school. It is only if they have a temperature of 38 degrees Celsius or above that they should stay at home to rest.

Please get in touch with us if you need any further information.

Yours faithfully,

Mr Moore
Headteacher
