Dear Parents

Online lessons on Google Classrooms

Your child will be taught by remote lessons if school is closed or if your child's year group is closed. We will use Google Classrooms which is a safe way for your child to take part in lessons and learn by working with our teachers online. Some year groups have used this last term.

You will need to let your child use a device to take part in lessons. Your child has been provided with instructions on how to log into Google Classrooms. With this letter is your child's username and password to log into Google Classrooms. Please keep this safe as your child will need this every time they log into Google Classrooms.

If you need any help, please email googlesupport@astontower.bham.sch.uk but stating your child's name and class in the subject heading.

Below is a link to a YouTube video which helps you to understand how to log into Google Classrooms and some of its features <https://www.youtube.com/watch?v=N5UQ2V3nRp4>

The lessons on Google Classrooms will mirror what the children would be learning in school.

Best wishes

Mrs Rai-Moore

Deputy Headteacher
