Dear parents and carers,

As you might know, the teaching of Relationships, Health and Sex Education is now required in schools. By law, primary schools like Aston Tower must teach relationships and health education. We DO NOT teach sex education at Aston Tower- this is done in secondary schools.

At Aston Tower we will teach that there are many different types of people and families in our world. We teach the children about friendship, discrimination, tolerance and respect. We teach the children to keep safe, including when they are using the internet. Children learn that everyone is different and that we should respect one another. We do not however, teach *No Outsiders*.

If you would like to know more about how we teach Relationships and Health Education please find the information sheet in the Letters section.

If you want to know more, we will be holding a meeting for our parents only on Thursday 4<sup>th</sup> March at 3:40pm. It will be held on Google Classroom. We will put up a link on your child's classroom Stream as an announcement. You should click the link to join the meeting.

Please get in touch with either me or Mrs Rai-Moore if you want to know more.

Yours sincerely,

Mr Moore
