

Swimming and Water safety data 2017-2018

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • More children have the opportunity to swim in the Year 3 and Year 4. • Parents attended a meeting on swimming and water safety to promote more children swimming outside of school. Parents were given information about the importance of swimming and information about how to sign up for swimming classes. 	<ul style="list-style-type: none"> • A greater number of children need to achieve 25 metres as our number are quite low. • In the summer term, allow children who are close to achieving their 25 meters to attend block swimming classes for the week. Speak directly to the parents and encourage them to take them swimming.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	18%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	10%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	10%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No
