Dear Parents

A number of parents have asked if they could take their child out of school during the day for appointments at the doctors, dentists or opticians. Children **should not go to appointments during school time** unless it is for a hospital appointment. If your child needs to go to a hospital appointment then we will ask you to show us the appointment card from the hospital before we can agree to your child's absence.

Coming to school each day is very important and a way in which you can ensure that your child does well.

Thank you for your help with this matter.

Kind regards

Jonathan Moore  
**Headteacher**
