9th September 2019

Dear Parents

Another year of fantastic test results for our pupils.

As our results come in from the government we can see, once again, how well our pupils have done.

Last year's **Year 6 pupils** made **excellent progress** at Aston Tower and proof of this is that our progress scores showing how well they have done are in the **top 15%** of all schools in England in all three subjects: reading, writing and mathematics. It is rare for a school to do as well as we have done to get high scores in **all** three subjects.

Our **Year 2 pupils** also made **excellent progress** in their SATs assessments. In reading, writing and mathematics, once again our Year 2 results are **above** the national average in the three subjects of reading writing and mathematics.

In **Year 1**, our pupils reached **standards above** the national average in the phonics test.

In **Reception**, once again pupils made **excellent progress** to reach standards were also above the national average in the early years assessments.

Its unusual for a school to achieve such great results in so many different years groups and subjects in one school year and this is something we keep on doing. Congratulations to staff and to pupils- and thanks to you for your support.

Friday 13th September 2019

As I have written to you about before, school will be closed for staff training this Friday and so pupils should not come to school on that day.

Best wishes, Mr Moore
