

The Hive Newsletter: Autumn I

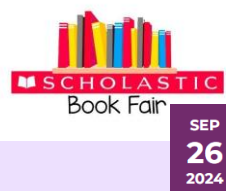

In The Hive we use lots of visuals to help us communicate our wants, needs, ideas and questions!

Our week in The Hive

We don't need wellies for Forest School or PE kits just yet but we will let you know when we do.

The book Fair is coming to Badsley. Check Dojo for dates and times.

Daily Bucket Time!

Everyday the children and adults join in with Bucket Time. The purpose of Bucket time is to build children's attention, listening, eye contact and being able to sit for a short period of time. Bucket time lasts around 5 minutes and we love it!

We are so proud of how well the children have settled back into school!

We will use Class Dojo to keep you up to date with all of our learning in The Hive!
