WORLD BOOK DAY
Thursday 7th March

Our inspiration for World Book Day 2024 is The Word Collector by Peter H Reynolds.

We are going to have great fun exploring the meaning of words and playing word games. We would LOVE all children and adults to come to school dressed as a word for the day.

Please see my Dojo post for more information and ideas!

In recent News...

Thank you to those of you who came to our information sessions about Read, Write Inc. I hope you found it useful.

The programme teaches children to read through carefully structured phonics lessons and reading books that are exactly matched to the letters a child knows.

Children will bring home books that practise the phonics they have been learning and there are lots of short films that we will send to help you support your child at home.

Reading Ambassadors

Our Reading Ambassadors have been busy talking to other children around school and finding out more about what they would like to read. We always try to keep our library up to date and it's really important to us to find out what the children have to say.
