Summer

Substantive Concept

PD Opportunity

Geography Long Term Overview

KS3

Debate: climate change and global warming

Presentation: improving recycling in school

Leavers performance

Y6

Participate in a performance

Mapping the World (Autumn 2)
How can maps and fieldwork help us to understand a place? Is there anything that they cannot tell us?
This unit allows pupils to engage in fieldwork by using all that knowledge in a more complex way and create their own maps from their local area.

Geographical skills and fieldwork

Global Challenges: Climate Change (Summer 1)
What is climate change? Therefore, this unit draws all knowledge of human and physical geography together so pupils can study global issues and challenges we face today?

Human and physical geography

Global Challenges Trade (Summer 2)
What are the natural resources and why do we use them? This unit allows pupils to focus in-depth on trade, a major global issue.

Human and physical geography

Clean air day

Human and physical geography

Y5

Clean Air

Biomes and vegetation (Summer 2)
What are the different biomes of the World?
This gives a more in-depth understanding whilst limiting opportunities for misconceptions between climate zones and biomes.

Human and physical geography

Local visit to Clifton Park

Asia: Mountains, Volcanoes and earthquakes (Spring 1 and 2)
What are natural disasters and how do they impact the lives of people living in Asia
Pupils continue exploring Planet Earth and its human and physical geography with this unit.

USA (Summer 2)
What is it like in the USA?
Pupils explore North America then the closer, in-depth study of the USA. This unit continues to support and grow pupils knowledge of our planet and the human and physical geography within it.

Human and physical geography

World Ocean Day

Y4

Debate about deforestation

Europe (Summer 1)
Which countries are in Europe and what are they like?
After studying the United Kingdom and Planet Earth in KS1, pupils 'zoom back in' on their own continent to study it's human and physical geography.

Place knowledge

Locational knowledge

Geographical skills and fieldwork

Human and physical geography

Amazon: Rivers and Rainforest (Spring 1 and 2)
What is the Amazon, why is it significant and should it be protected?
Pupils study the continent South America then explore the Amazon, developing wider understanding of Planet Earth and its human and physical geography. Pupils also build on their knowledge

Human and physical geography

Place knowledge

Locational knowledge

USA (Summer 2)
What is it like in the USA?
Pupils explore North America then the closer, in-depth study of the USA. This unit continues to support and grow pupils knowledge of our planet and the human and physical geography within it.

Place knowledge

Locational knowledge

Human and physical geography

Europe Day

Climate and Climate Zones (Summer 1)
How are the climate zones different around the world?
Pupils build on their knowledge from Year 2, 'Planet Earth' to study the climates and climate zones

Locational knowledge

Human and physical geography

Mental Health Week

Settlement and Land Use (Autumn 2)
What is the land like in the UK and do we use it?
This unit make connections with the History unit, 'Stone, Bronze and Iron Age' to make sense of settlements and land use in the past before looking at it too

Locational knowledge

Geographical skills and fieldwork

Human and physical geography

Local Landmark

Y3

Y2

Safer Internet Day

Planet Earth (Autumn 1 and 2)
Can you describe the 7 continents and oceans that make up planet Earth?
Pupils study the world's seven continents and five oceans

Locational knowledge

Place knowledge

Human and physical geography

World Book Day

Life in Kenya (Spring 2)
How is living in Kenya similar and different to living in the UK?
Pupils study similarities and differences between the UK and a non-European country.

Place knowledge

Human and physical geography

Earth Day

Our Local Area (Autumn 1)
What is our local area like?
A study of the familiar— their local area.

Remembrance Day

YWP visit

Christingle Celebration

Beside the Sea (Summer 2)
What human and physical features can you find at the seaside?
This unit explores the United Kingdom's coastlines.

Place knowledge

Human and physical geography

The United Kingdom (Summer 1)
What are the countries that make up the United Kingdom like?
Pupils study the United Kingdom, its four countries, and their capital cities.

Locational knowledge

Geographical skills and fieldwork

Our Local Area (Autumn 1)
What is our local area like?
A study of the familiar— their local area.

Place knowledge
