

# The Hive Newsletter: Spring 1

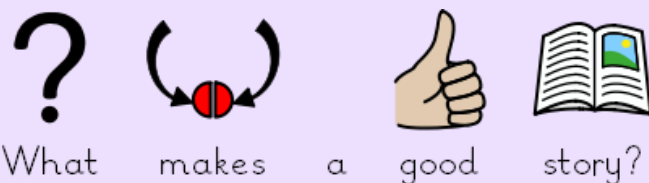

These are visuals we use in The Hive. We will be using them to give opinions on stories this half term.

## What are we reading?

Each day we work go to the dough disco and work on our fine motor skills. You can search our favourite videos at home and join in.

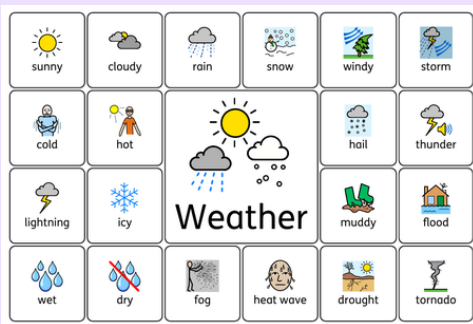

Our big question for Spring 1 is "What makes a good story?"

## The Library are coming again!

This half term we will be having our third visit from the library service. We really enjoy these sensory stories. We will continue to visit the school library on Tuesday afternoons.

Try catching the weather forecast on the TV or radio to hear and use weather words!

This half term we will be learning about the weather.

We will learn to name different weathers, link them to symbols, identify the weather daily and link weather patterns to the seasons.

# The Hive Newsletter: Spring 1

We love visuals.

I want	story please	more	again
you read	story	I read	
I listen		You listen	
snuggle up	I liked it	I didn't like it	finished

? What makes a good story?

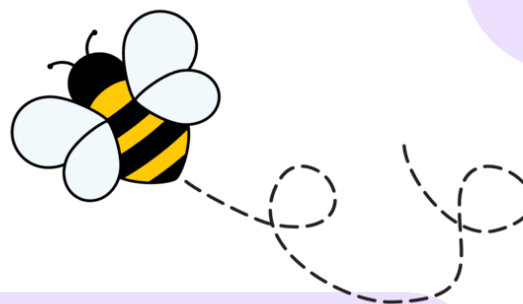

M	Tu	W	Th	F
Forest	School	Library	Forest	School

## Geography!

We will be learning about different places in our world. Countries flags and capital cities. Countries which are hot or cold. Countries where different animals come from. Countries with famous landmarks.

Keep up with all our learning on our class dojo page!

## Purple Mash

purple mash

There are lots of games and activities your child can use on their device to support their learning. Use their own login to access their account at home.

Share our Hive E-safety charter before using your device at home to remember how to use it safely.

Chinese New Year 29<sup>th</sup>  
January 2025

Safer Internet Day 11<sup>th</sup>  
February 2025

Valentine's day 14<sup>th</sup>  
February 2025

Look out on dojo for The Hive are joining in with special events this half term.

We hope you are enjoying our Makaton signs of the week and are using them at home. This half term our signs will relate to stories and story telling.
