

The Hive @ Badsley: Summer 1 Which animals live in the jungle?

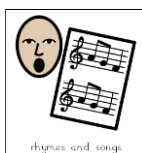

? Which animals live in the jungle?

Which animals live in the jungle?

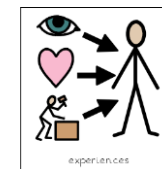

- Name a range of rainforest animals.
- Identify a favourite animal.
- Match animals to their sounds.
- Guess an animal from a sound or picture clue.
- Sort animals into water, land, air animals.
- Name some countries in our world.
- Match some animals which live in hot and cold places.
- Create representations of animals by drawing, painting, collage and modelling.
- Begin to say which animals come out in the day or the night.

- Down in the jungle
- Things or fingers (action rhyme)
- Big Bear Funk
