

The Hive Newsletter: Spring 2

These are visuals we use in The Hive. We will use these to talk about colours and how they make us feel.

What are we reading?

Our big question for Spring 2 is 'How do colours make you feel?' our learning activities will help us answer this!

Have a try at sorting your toys into groups according to their colours.

How many blue toys do you have?

How many red toys do you have?

The Library are coming again!

We can't wait to welcome the School Library service back to The Hive for another sensory story session! We have also requested some more books to borrow from our library account for Spring 2!

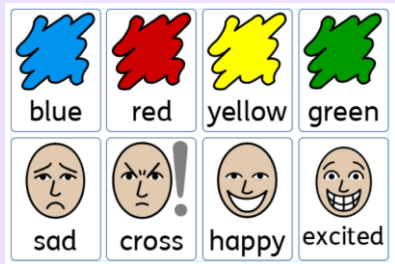

World Book Day!

We will be celebrating world book day on Thursday 6th March! Keep a look out on our school dojo page for more information.

We are still loving learning our Makaton signs of the week! Make sure you are checking dojo for these and learning along with us!

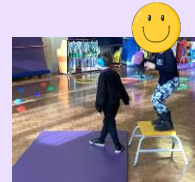

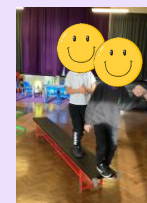

Fun with food!

We have really enjoyed having fun with food so far this year and will be continuing this in Spring 2! Every Friday we have the opportunity to use different ingredients to make something yummy to eat. We enjoy practicing our chopping, cutting, spreading and sharing skills!

Sensory circuits!

We have really been enjoying our PE sessions every Friday, and will continue this in Spring 2.

We take part in sensory circuits that provide us with the right amount of sensory input to be calm and organised for the rest of our learning!
