The Library are coming again!

We can't wait to welcome the School Library service back to The Hive for another sensory story session! We have also requested some more books to borrow from our library account for Summer 2!

Where in the world can we visit?

Our big question for Summer 2 is 'Where in the world can we visit?' our learning activities will help us answer this!

Take a look at this picture of a family at the park.

Use the question prompts to ask your child questions about this picture.

Photos!

Through our topic on 'Where in the world can we visit?' we will be looking at and talking about types of transport and travelling in different ways.

We would love to see any photos you have of your children and families on different modes of transport and on their holidays!

SPORTS DAY

We would like to invite you to our Hive Sports afternoon. We will run it a little bit differently to a large sports day and instead set up and play a range of outdoor games on our usual playground such as skipping, throwing and catching, egg and spoon, bouncy hoppers and the trim trail.

We would love to invite you to join us and join in playing with your child.

Keep up with all of our learning on our class dojo page!
