Class of the week: R/1FB

Trip-Trapping to Success!

The children have been completely immersed in the world of *The Three Billy Goats Gruff*. They haven't just read the story, they've practically lived it! After working hard to learn the tale off by heart, they took to the stage for their class assembly. The theme was courage, and they all showed their courage. Standing up and performing in front of an audience takes a lot of bravery, and every single one of them showed exactly what it means to be courageous. We are so proud of their performance!

In the classroom, we've been turning into mini-mathematicians and phonics experts:

- Maths: We've been mastering the language of "fewer" and "more" to compare different numbers.
- Phonics: We tackled the 'igh' sound this week (as in "high" and "bright") and the children have been doing a brilliant job using it to write their own sentences.

While the week started a bit grey, we had a glimpse of sun midweek. We wasted no time getting outside to enjoy the garden and, of course, the mud kitchen! There's nothing like a bit of fresh air and "mud pie" to round off a fantastic week of learning.
