Class of the Week; 1BE

We have had an amazing week in 1BE, filled with creativity, discovery, and some very hard work! We began the week by becoming poets in **English!** We started by creating a class poem about Miss Woods, which made us laugh and gave us the confidence to then write our own. It was a challenge, but fun finding words that rhyme!

In **Maths**, we have been mastering how to count in 2s, 5s, and 10s. We also turned into "Plant Detectives" during **Science!** We explored the outdoors in search of trees, weeds, wildflowers, and plants, capturing everything we found with our "pretend cameras."

We traveled back in time in **History** to learn about the brave aviator Amelia Earhart. We were fascinated by how she disappeared. We also celebrated **St. George's Day** by getting into character and acting out the legendary story of George and the Dragon.

Class Worship: We celebrated what it means to be a fabulous friend. We chose a classmate and surrounded them with all the wonderful ideas and kind words we have about them.

Earth's Helpers: We discussed how we can look after our planet and turned our best ideas into colorful "Earth's Helpers" posters.

PE: With **Sports Day** fast approaching, we have been sharpening our skills in sprinting, jumping, and relay races. It was great to see everyone encouraging their teammates and showing such a fantastic sporting spirit!

What a brilliant, busy week we have had. Well done, 1BE!
