School events this week:

- A huge thank you to our pupils in **Year 1** for leading a lovely and uplifting Easter Service in School and **Year 5** for leading a wonderful Service in Church this week. It was a joy for our parents to watch, from the beautifully spoken **prayers** that gave us a moment of reflection, to the enthusiastic **singing** that filled the hall and Church with energy. You brought the Easter story to life, making it a truly memorable experience for the school community. We are incredibly proud of the hard work and confidence you all displayed!
- This week has been a very special week in School, pupils have taken time to explore the **Traditions of Holy Week**. This has been done through storytelling, assemblies, craft activities, quiet prayer and a Church Service. This week really helps our pupils understand the messages of Easter and its importance within the Christian calendar. A big thank you to all our volunteers from St. Paul's Church who have delivered these sessions!
- The **Speed Stacking Final** took place in School on Friday. Emily G (5RF), Pugazhrgiri (2CH), and Jasper (6KP) and Marlow (4JB) took part in the finals rounds of the whole school competition. The Winner of the Whole School Competition was **Jasper (6KP)**. A huge thank you to all your generous donations. As a School our final total was just over **£1000**.

Class of the week: RRW

It has been a joyful and busy time in RRW over the past few weeks! From celebrations to quiet reflections, the children have been immersed in a range of exciting activities.

Special Celebrations

We had a brilliant time marking St. Patrick's Day and wore our red with pride for Red Nose Day, helping to raise awareness for a fantastic cause!

The Easter Story

As we approach Easter, the children have been exploring the meaning of the season. We reenacted the very first Palm Sunday with a special parade and visited our Easter Garden to learn about the Easter story. To represent new life and growth, the children also spent time planting their own seeds.

Learning Together

Inside the classroom, we shared bread and "wine" (juice!) as part of our learning and even squeezed in some fun with a lively game of Easter Bingo!

Signs of Spring

We also took a lovely trip to our on-site Spring Garden, where the children spotted all the beautiful signs of new life appearing around them.

It has been a truly meaningful time for everyone, full of learning and celebration. We are so proud of how the children have engaged with every activity!
