Here are the latest updates from our eco-council!

### Walk to School competition

'Living Streets' launched a competition to design a Walk to School badge for next year. We had lots of fantastic entries but the three we chose to enter the competition were from Ethan, Akein and Mitchelle.

### Gulp Challenge

Blackpool FC Community Trust have launched their GULP challenge for Year 4 pupils to swap sugary drinks for water. Each Year 4 pupil has been given a water bottle and a sheet to record their progress. Please can these be returned to school once they have been completed. For more information visit <https://www.bfcct.co.uk/gulp-challenge-2025/>

### **Help to support Eco at home**

Participate in cleanup days at a beach or park. Use those outdoor bins! Never litter. Keep our waterways clean. When you visit a park or beach, be sure to deposit your rubbish in the bins or take it home with you. Blackpool Sea Life runs a beach clean once a month on a Saturday morning. For more information visit

<https://www.keepbritain tidy.org/events/blackpool-sea-life-beach-clean>

If you would like to take your class litter picker home for the weekend then please ask you Eco-Councilor.
