School events this week:

- This week, Year One through to Six have completed their summer NFER Tests. This data is used to support teachers assessment and the end of year report writing.
- The **School football team** played against Thames Primary School on Wednesday afternoon, winning 16-1.

- **Playground Proms** visited our School on Thursday afternoon, the main hall turned into a high energy arena filled with classical music. It was a memorable experience for the whole school!

We are incredibly proud to celebrate two of our amazingly talented pupils, Varney and Ajay, who took part in Blackpool Sings Pop! competition this week.

Both Varney and Ajay bravely took to the stage to perform individual solo pieces, competing alongside 22 other fantastic contestants from across the area. They both gave absolutely outstanding, confident performances that blew the audience away and represented Baines' Endowed beautifully.

A special congratulations goes to Varney, who wowed the judges and placed 3rd overall in the entire competition!

What a massive achievement for both boys. Standing up to sing a solo on a big stage takes immense courage, and the whole school community is incredibly proud of your talent and determination. Well done, boys!

Class of the week: 2SC

Another busy week for 2SC!

Botanists: In Science, we have been busy investigating how plants grow. Everyone has planted their own sunflower seed which will be watered and taken care of. Miss Clarke's seed will not be watered. What will happen? We have tracked the growth of our bean seeds and many have already germinated. Some even have leaves. Also, we have continued to observe the life cycle of a butterfly and have said goodbye to our caterpillars, as they have now formed their chrysalis.

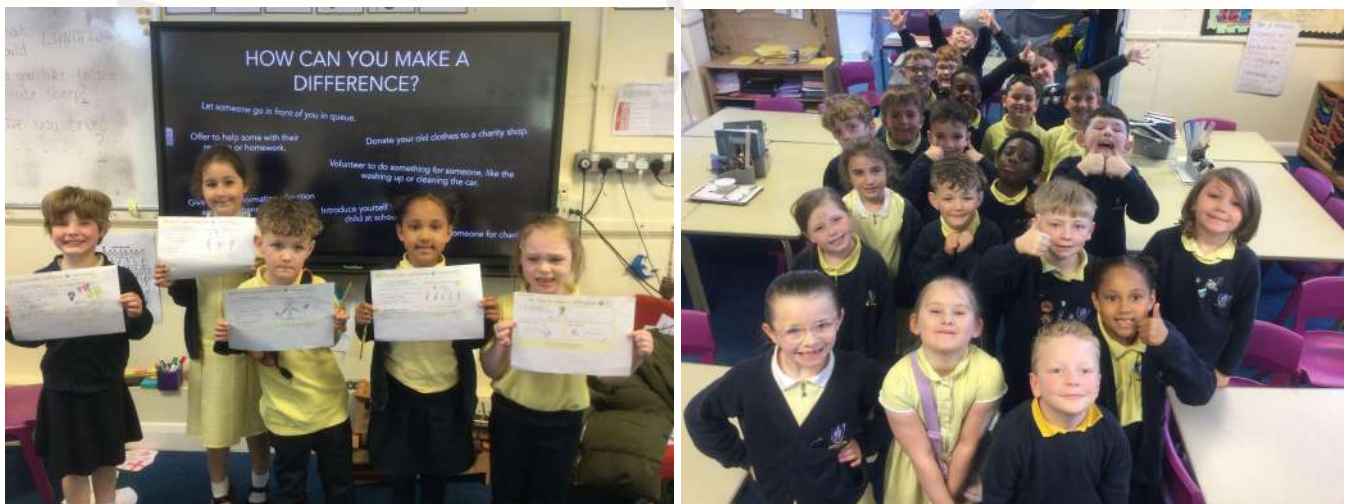

Worship Wednesday: During worship we practised our Voice 21 groupings of nesting and pair work. We had some lovely discussions about the power of music and how it can unite us as one. 2SC love to sing! We rehearsed the wonderful song 'The Instrument in Me,' for our Playground Proms next week.
Marvellous maths: More and more of 2SC are logging on to TTRS, which is fantastic to see. In class, we have our times table booklets to complete too. There's only 2 minutes to answer 40 questions!

Community work: Our Eco Council member took to the local streets on Tuesday to help with a litter pick.

Art: Our new art topic will lead us to make a mini bird sculpture, but first we are focusing on drawing. To warm us up, we took our pencil for a walk and created some random patterns. Next, we did some observational drawings on feathers using pens, pencils and oil pastels. All of this, whilst listening to some classical music.

Coming up:

- On **Tuesday 2nd June**, School and Nursery reopens for the final term of this academic year.
- On **Tuesday 2nd June**, **Year Three** pupils have their school trip to **Beacon Fell** will take place.
- For the next two weeks, **SEN Reviews** will take place in school. Miss McIntosh will be in touch with Parents/Carers to organise appointments for the pupils.

- On **Thursday 4th June**, **Year Two** pupils have their school trip to **St Anne's Pier** and the **Beach**.
- For the next two weeks, the **Year 4 pupils** will complete the **Multiplication Tables Check (MTC)**. Pupils will complete an online timetables check to test their multiplication knowledge up to 12 x 12.
- On **Friday 5th June**, the first of the Induction sessions for the Reception children of 2026 will take place in the morning.

.Attendance News:

This week's whole school attendance was **93%**. Well done to **5SN** who had the highest attendance this week with an average attendance of **97%**.

St Paul's Church Events:

The Parent and Toddler group meet during term time every Tuesday from 10:00 to 11:30am. It costs £1.50. Please contact the church office for more information or alternatively you are welcome to turn up on the day.
