Reminders:

- **School Appearance Code**
School uniform is not optional. All children must wear the correct uniform to school. Trainers are not allowed to be worn. Any children wearing trainers will be asked to wear their P.E. pumps for the day.
- **Attendance and Punctuality**
The government sets the standards for school attendance for every school in the UK; they expect children to attend school every day that the school is open, unless they are too ill to attend, or parents/carers have asked in advance and been given permission for their child to be off on a specific day, due to exceptional circumstances.

School doors open at 8:45 a.m. and school starts promptly at 8.55 a.m. Children who arrive after this time do not receive a school breakfast and they miss the first task of the day, missing essential learning.

Please ensure that the children are punctual for the start of the school day and that if they are not well enough to attend school, that the school office is informed before 9.30 a.m.
