Monday 16th August 2021

Dear Parents/Carers,

Your child's name has been forwarded to me as someone who will not be attending the PGL trip in September.

We would like to ensure that all children have memorable experiences during this week, therefore, we have organised two trips to Stanley Park to use the fantastic facilities.

On Thursday 9th September, we will use the High Ropes and complete Caving activities, followed by a picnic. On Friday 10th September, we will have a Canoeing and Orienteering session, again followed by a picnic.

Both of these trips will take place in the morning, leaving school around 9:15am and returning for 2:00pm. As Stanley Park is so close, we will walk there each day. A full risk assessment of these activities, and the walk to and from school have been completed. Arrangements for any specific needs will be put into place.

**The total cost for these activities is £19.16. Parent Pay will be set up so that you can make small regular payments over the summer holiday. Closing date for payments is 6th September.** Permission for your child to attend these activities will also be sent to you on Parent App.

If you have any queries regarding these activities, please contact school by email, using [beadmin@cidari.co.uk](mailto:beadmin@cidari.co.uk). Any queries will be passed onto Mrs. Collison or myself, and we will endeavour to respond as quickly as possible. School will reopen to children on Thursday 2nd September. Should you have any further questions, these can be addressed at this time.

I hope you have an enjoyable summer break.

Yours sincerely,

*A Knowles*
