4th September 2020

Dear Parents/Carers,

Welcome back to school and thank you for your patience with our new systems this week. It has been so lovely to have all of the children back in school and they have settled far more easily than we expected. The children are happy to be back and their smiles are a joy to see!

Obviously, due to Covid-19, we have had to make multiple changes to our systems, including how you are able to drop off and collect your child/ren to/from school. I realise that this has not been easy this week and I would like to thank you all for working with us, as we try to make this process as smooth as we can. Due to further feedback from parents/carers and from staff, I have made a few further changes to times and exits. Please read the timetable below **to check the start and end time for your child's Year Group and the place** that you need to drop off/collect from Monday 7th September:
