Covid-19 Academy Risk Assessent

Identifying risk and control measures relating to Covid-19 Cidari | All Academies | Public

Version 2.0 Published 12th June 2020

Cidari Approved Covid-19 Risk Assessment for Baines' Endowed Church of England Primary Academy

The outline of this document has been developed by Cidari in consultation with the Trust designated H&S officer for modification by each Academy. This risk assessment is intended to help document the risk controls which have been introduced at the Academy to control the spread of COVID-19. This document should be read in conjunction with the **Trust Covid-19 Policy** and the **local Covid 19 Appendix 1 prepared by this Academy**.

Location: Applies to entire Academy site (premises and external) Task/ Activity: Dealing with Covid-19 in Cidari Premises & Settings						Assessed by: Debi Rusling/Helen Cooke		
			Review Dat	e:		Reference	ce Number: CID-COV01	
Task	Hazard/Risk	Persons at risk	Controls in place		Severity (1-5)	Likelihood (1-5)	Risk/ Priority	Additional controls required
	Awareness of policies and procedures		All staff, pupils, volunteers and aware of all relevant policies ar including, but not limited to, th • Health and Safety Policy • Covid -19 Policy • Covid 19 Policy Appendi • First Aid Policy All staff have regard to all relev and legislation including, but no the following:	nd procedures e following: x 1 ant guidance	4	1	Low	Review of all relevant documentation in line with latest Government guidance and changes to arrangements outlined in Covid-19 Appendix 1.

 The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013 The Health Protection (Notification) Regulations 2010 Public Health England (PHE) (2017) 'Health protection in schools and other childcare facilities' DfE and PHE (2020) 'COVID-19: guidance for educational settings' 		
The relevant staff receive any necessary training that helps minimise the spread of infection, e.g. infection control training.		
Supported by the Trust the Academy keeps up-to-date with advice issued by, but not limited to, the following:		
 DfE NHS Department of Health and Social Care PHE The school's local health protection team (HPT) 		
Staff are made aware of the school's infection control procedures in relation to coronavirus via email.		
Staff who have not been in school during partial opening will be given a reorientation induction upon their return.		
Parents are made aware of the school's infection control procedures in relation to		

		coronavirus via letter and social media – they are informed that they must contact the school as soon as possible if they believe their child has been exposed to coronavirus. Pupils are made aware of the school's infection control procedures in relation to coronavirus via an assembly, regular direct teaching and modelled behaviours by all staff. Pupils are informed that they must tell a member of staff if they begin to feel unwell. Visitors and contractors are aware of the Academies infection control procedures in relation to coronavirus via the relevant checklist and declaration forms before entering the building. They are informed that they must contact the school as soon as possible if they develop symptoms within 7 days of visiting the site. GDPR best practice is followed at all times – this includes withholding the names of staff, volunteers and pupils with either confirmed or suspected cases of coronavirus.				
Contact with persons suffering from coronavirus	Employees Pupils Contractors Visitors	Clear signage at all site entrances informing persons with symptoms not to enter the premises. If an employee, pupil or known visitor tests positive for coronavirus, further advice will be sought from the Trust and the local Health Protection Team. They will take over the risk	5	2	Medium	The Trust will issue revised guidance and recommended risk control measures will be sourced directly from the GOV.UK website wherever possible.

Contact with persons who may have been exposed to coronavirus	Employees Pupils Contractors Visitors	Employees or pupils who are suspected to have coronavirus are to self-isolate in accordance with the government guidance. Other persons who may have been exposed to coronavirus have been instructed by the government guidance to self-isolate. Anyone displaying symptoms in school will be sent home or separated until they are able to do so (collected if a pupil). They will be advised to isolate as per guidelines and seek a test immediately. All staff unable to maintain appropriate distance when supporting a pupil or colleague displaying symptoms will wear appropriate PPE supply including IIR Mask, Nitrile Gloves, Apron and Eye Protection.	5	2	Medium	The Trust will issue revised guidance and recommended risk control measures will be sourced directly from the GOV.UK website wherever possible. https://www.gov.uk/guida nce/travel-advice-novel-co ronavirus Control measures will be revised and updated on the advice of the Trust when the latest government guidance is released.
Contact with packages (food, stationary, post deliveries) or items handled by persons who may have been exposed to coronavirus	Employees Pupils Contractors Visitors	All existing risk assessments will be maintained and followed. There is currently no perceived increase in risk for handling post or freight from specified areas. Kitchen staff to maintain good hygiene in line with the school's HACCP. Posters promoting good hand hygiene displayed in food areas.	5	2	Medium	The Trust will issue revised guidance and recommended risk control measures will be sourced directly from the GOV.UK website wherever possible. Control measures will be revised and updated on the advice of the Trust when the latest government guidance is

Disposal of waste that may be contaminated by a coronavirus sufferer		All waste that has been in contact with the relevant person, including used tissues, and masks if used, should be put in a plastic rubbish bag and tied when full. The plastic bag should then be placed in a second bin bag and tied. It should be put in a safe place and marked for storage for 72 hours before disposal (unless test results return negative).	5	2 Medium	released.
Contracting and spreading of infection	Employees Pupils Contractors Visitors	 Basic infection controls will be followed as recommended by the government: Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze. Put used tissues in the lidded bin straight away. Wash your hands with soap and water often – use hand sanitiser gel if soap and water are not available. Pupils wash their hands with soap before and after break times and lunchtimes for no less than 20 seconds. Pupils are supervised by staff when washing their hands to ensure it is done correctly, where necessary. Pupils do not share cutlery, cups or food. Hand sanitiser to be available in each classroom (in use), entrances and exits of buildings, near lunchrooms and toilets. Try to avoid close contact with people who are unwell. Clean and disinfect frequently-touched objects and surfaces. 	5	Medium	The Trust will issue revised guidance and recommended risk control measures will be sourced directly from the GOV.UK website wherever possible. Control measures will be revised and updated on the advice of the Trust when the latest government guidance is released. https://www.nhs.uk/condit ions/coronavirus-covid-19/ https://www.gov.uk/gover nment/publications/coron avirus-covid-19-implement ing-protective-measures-i n-education-and-childcare -settings/coronavirus-covi

	reduce mixing of classes and use
	appropriate spaces.
	Staggered drop-off/collection were
	necessary to achieve social distancing.
	 Communication to parents sent out
	regarding collecting and dropping off
	children to prevent 'gathering'.
	Staff in school will continue to be provided
	with a free cold lunch offer until the end of
	the Summer Term and encouraged to take
	this option or advised to bring their own
	food to work.
	School kitchen follows guidance of social
	distancing. Managed by Mellors,
	monitored by school leaders.
	Cidari Covid-19 Policy in place.
	Use of COVID-19 Return to Work Form
	with staff.
	 Lunches to be taken in classroom where
	suitable. If the hall is to be used the space
	will be cleaned between each group.
	Lunch and breaks staggered to minimise
	social gatherings for pupils and staff.
	Regular family contact to ensure that
	children from families with symptoms do
	not attend school.
	Space audit conducted in order to identify
	appropriate teaching space with desks
	spaced as far apart as possible and
	unnecessary items/furniture removed.
	 Refer to separate children with (EHC) Plans
	in place risk assessments.
	 Cycle storage facilities available –
	employees and pupils encouraged to

 walk/cycle to school (where feasible). A dequate supplies of facemasks, eye protection, gloves and aprons are available for those who become unwell at school and need direct personal care - two-metre distancing cannot be maintained. The usage of play equipment is supervised and cleaned between different groups and never used by mixed groups at the same time. Lidded bins will be available in all classrooms and wash spaces. Paper hand towels (in dispensers) available in all hand washing spaces and toilets. Flow of pupils and staff around the school reviewed to enable two-metre distancing to be maintained, where possible (control measures will include one-way systems, staggered lesson change, dividers installed in the middle of coridors or floor markers). Use of outdoor spaces for teaching and learning when possible. Shared materials/resources limited for those pupils/staff that need to take these homes. Established arrangements are in place between the school art arce apps by individuals to establish data. Des of test and trace apps by individuals to establish data.
