

BALSHAW LANE

TOP TIPS

YEAR 1

- Listen to your child's joys, concerns and worries without judgement and spend time with them talking about life in and outside of school.
- Model the appropriate language for body parts, reinforcing the terminology taught within school.
- Remind children that appropriate contact should make a person feel cared for and important. Explain that it might also include touch that hurts or is uncomfortable, but these instances should only be to keep the person safe and healthy (e.g. getting an injection, or pulling someone back from a passing car).
- Encourage children to communicate any unwanted touches. For example, respect their wishes if they say they do not want to be kissed, cuddled or tickled, or ask someone to stop. Showing children that their boundaries are respected is an important part of them understanding how to respect others.
