## TOP TIPS

YEAR 2

- Through your words and tone, welcome your child's curiosity for new activities and interests. Ask gentle questions to see what your child already knows, before adding new information. Don't assume that they know things because they use certain words. If you don't have the answer to your children's questions, it's OK to say that you don't know but will find out.
- Take time to play the online games your children like to play so that you can understand the features. You can find out if there is anything concerning you need to be aware of, such as safety features or parental controls which should be enabled.
- Use appropriate language for body parts at home so it reinforces what is taught at school.
- Remind your child that their body is their own and they don't have to let anyone touch it in a way that is unsafe and/or unwanted. Everyone else also has that right. This is the beginning of giving a child control over their body and teaching them about consent.
