- ▶ Papers 2 and 3: reasoning, 40 minutes per paper
- ▶ Paper 1 will consist of fixed response questions, where children have to give the correct answer to calculations, including long multiplication and division.
- ▶ Papers 2 and 3 will involve a number of question types, including:
 - Multiple choice
 - True or false
 - Constrained questions, e.g. giving the answer to a calculation, drawing a shape or completing a table or chart
 - Less constrained questions, where children will have to explain their approach for solving a problem

Results and Marking

- ▶ Children will be given scaled scores.
- ▶ You will be given your child's raw score (the actual number of marks they get), alongside their scaled score and whether they have reached the national average.
- ▶ The scores range from 80-120. The scaled score required to achieve the Expected Standard is 100. Anything below that score has not met the expected standard. Greater Depth is classed as a scaled score of 110+.

Writing

- Based on teacher assessment over the year and especially from spring and summer term.
- Not met, achieved expected or greater depth (GD something special / flair / own voice/ demonstrating change of mood).
- Editing skills essential - checking and correcting their work to ensure accurate punctuation, use of a dictionary to check spellings.
- Evidence of a range of writing for a variety of purposes.
- For expected standard, children need to show an awareness of appropriate levels of formality through their choices of vocabulary and grammar.
- Evidence of joined, consistent handwriting.
- Reading a variety of engaging and challenging texts has a huge impact on children's writing!

Working at the expected standard

The pupil can:

- write effectively for a range of purposes and audiences, selecting language that shows good awareness of the reader (e.g. the use of the first person in a diary; direct address in instructions and persuasive writing)
- in narratives, describe settings, characters and atmosphere
- integrate dialogue in narratives to convey character and advance the action
- select vocabulary and grammatical structures that reflect what the writing requires, doing this mostly appropriately (e.g. using contracted forms in dialogues in narrative; using passive verbs to affect how information is presented; using modal verbs to suggest degrees of possibility)
- use a range of devices to build cohesion (e.g. conjunctions, adverbials of time and place, pronouns, synonyms) within and across paragraphs
- use verb tenses consistently and correctly throughout their writing
- use the range of punctuation taught at key stage 2 mostly correctly¹ (e.g. inverted commas and other punctuation to indicate direct speech)
- spell correctly most words from the year 5 / year 6 spelling list,^{*} and use a dictionary to check the spelling of uncommon or more ambitious vocabulary
- maintain legibility in joined handwriting when writing at speed.²

Working at greater depth

The pupil can:

- write effectively for a range of purposes and audiences, selecting the appropriate form and drawing independently on what they have read as models for their own writing (e.g. literary language, characterisation, structure)
- distinguish between the language of speech and writing³ and choose the appropriate register
- exercise an assured and conscious control over levels of formality, particularly through manipulating grammar and vocabulary to achieve this
- use the range of punctuation taught at key stage 2 correctly (e.g. semi-colons, dashes, colons, hyphens) and, when necessary, use such punctuation precisely to enhance meaning and avoid ambiguity.^
