Other exciting events coming up...

The Summer Term is a very busy and exciting term for year 6!

The children are currently working hard to ready themselves for their SATs (taking place week beginning 12th May).

Once SATs week is over, we will begin work on our end of year production - the children will be given their parts and any lines to learn before we break up for half term. Please support them in starting to learn these over the May break.

We also have our upcoming Patterdale residential (7th - 9th July). There is a meeting for parents on Wednesday 11th June to discuss the trip.

Follow Balshaw Lane on Facebook for pictures and updates on what is happening in school!

If you need to get in touch, pop a note in your child's planner - remember to tell them to show us! For more urgent messages, or to inform school about absence or appointments, please ring the school office.
