## Guest Speaker

Trevor Mather is a former Balshavian who has gone on to be the managing director of the now global Auto Trader, with an annual turnover of £281.6 million. The Auto Trader site is so popular that it gets 96 advert views per second! Perhaps it was the Balshaw's motto 'non sibi sed allis' which led him to make one of his biggest decisions of removing commission for its sales force to focus them on advice and expertise-sharing, thus removing the motivation for sales staff to be pushy in their approach to clients. Prior to his current role, Trevor was President and CEO of Thoughtworks, a global IT and software consultancy which he grew to have operations in 29 cities around the world.

### **The John Stanning Exhibition**

John Stanning was the Chairman of the Governors of Balshaw's School and owner of John Stanning & Son Limited, a bleach works in Leyland. After his death in 1904, his friends collected a fund of monies, The John Stanning Memorial Trust, to be used to provide exhibitions to former students of Balshaw's School, now Balshaw's CE High School.

The capital value of the Trust has now been substantially restored and the Trustees recommenced the award of exhibitions in 1990. Awards will be made to former students of Balshaw's CE High School, who subsequently attend university, on the basis of academic excellence. An annual exhibition or exhibitions of up to £500 will be awarded to successful candidates to assist with the purchase of books or other educational requirements. Any former student of Balshaw's CE High School may apply.

Applications for an exhibition should be made by 30<sup>th</sup> September in each year, and wherever possible before the first term of their university studies. Applications should be made in full, in writing, to the Headteacher of Balshaw's CE High School. The Trust is looking for more Trustees. If you are interested, please contact the school.

The John Stanning Memorial Trustees are very keen to increase the capital of the trust and any individual or company that supports the aims of the Trust and wishes to make a donation, should contact the Treasurer, Mrs Karen Bishop, c/o Balshaw's CE High School.

### **The Lord Robens Prize**

The Robens Prize was first awarded in 1966 to May Griffiths (née Butler), also a former member of staff, following the visit of Lord Robens, then Chairman of the National Coal Board, to open the new boiler house at the Leyland & Birmingham Rubber Company. Lord Robens presented the prize on two occasions, in 1966, and January 1982 when he and Lady Robens attended Speech Night. The prize is awarded for outstanding merit in some worthy achievement, and due to the generosity of the Leyland & Birmingham Rubber Company has been awarded every year since 1966. Sadly Lord Robens died in June 1999. Unfortunately the Leyland & Birmingham Rubber Company ceased business in 2002 and has donated two cups for the annual presentation of the Lord Robens and Leyland & Birmingham prizes. The recipients' names will continue to be added to the existing boards. From 2003 the above is under the jurisdiction of the Balshaw's Education Foundation.

### **Balshaw's Educational Foundation**

One of the purposes of the Balshaw's Educational Foundation is to provide a measure of financial support for former students of the school who are following further courses of study. The courses of study may be at Tertiary or Sixth Form College, at an Institute of Higher Education, at University or an Apprenticeship scheme. Further information can be obtained from the Headteacher or the Clerk to the Foundation, c/o the School.
