Guest Speaker

Dr Frank Ryding is a former Balshavian who went on to start his career as an anaesthetist working in the NHS. However, he felt that he could do more and found himself on the first of more than fourteen missions that span a period of more than thirty-five years working in some of the world's most dangerous conflict zones in his work for the International Committee of the Red Cross.

Dr Ryding has written about his career with the ICRC in a book called *Memoirs of a Red Cross Doctor: Better to Light a Candle* which I commend highly to you; from seeing Pol Pot in the rainforests of Cambodia to operating under shell fire and in theatres reaching 55 degrees centigrade in South Sudan and Mogadishu.

The Lord Robens Prize

The Robens Prize was first awarded in 1966 to May Griffiths (née Butler), also a former member of staff, following the visit of Lord Robens, then Chairman of the National Coal Board, to open the new boiler house at the Leyland & Birmingham Rubber Company. Lord Robens presented the prize on two occasions, in 1966, and January 1982 when he and Lady Robens attended Speech Night. The prize is awarded for outstanding merit in some worthy achievement, and due to the generosity of the Leyland & Birmingham Rubber Company has been awarded every year since 1966. Sadly Lord Robens died in June 1999. Unfortunately the Leyland & Birmingham Rubber Company ceased business in 2002 and has donated two cups for the annual presentation of the Lord Robens and Leyland & Birmingham prizes. The recipients' names will continue to be added to the existing boards. From 2003 the above is under the jurisdiction of the Balshaw's Education Foundation.
