Secondary School Pupils' Travelling Expenses

School Year 1950-51

Dear Sir or Madam,

I enclose Form T.E.502, on which you should make your application for a refund of travelling expenses in respect of your son's/daughter's attendance at School during the School Year 1950-51.

This form should be completed in every detail, and returned to this Office as soon as possible, and in any case not later than the 30th June, 1951.

Before completing the form, you should read carefully the Regulations of the Education Committee, governing the payment of travelling expenses which are printed on the reverse side of the Form.

You are requested to ensure that the form is completed in every detail before returning it to me. Much inconvenience and delay is caused when forms have to be returned because information required is omitted. In particular, your attention is drawn to the need for the Headmaster's/mistress's signature and your own signature. Your attention to these and other details will facilitate the work entailed in dealing with your application.

Yours faithfully,

F. Lymer

14th June, 1951

Secondary School Pupils' Travelling Expenses School
Year, 1951 - 52

Dear Sir or Madam,

I enclose Form T.E.501, on which you should make your application for the payment of travelling expenses in respect of your son's/daughter's attendance at School during the School Year 1951-52.

This form should be completed in every detail, and returned to this Office as soon as possible, and in any case not later than the 30th June, 1951.

Before completing the form, you should read carefully the Regulations of the Education Committee, governing the payment of travelling expenses which are printed on the reverse side of the Form.

Pupils who travel by the Preston Corporation and Ribble Motor Joint Services (i.e. P.1., P.2., and P.5., routes) cannot be supplied with Contracts. Form T.E.501 should, therefore, be completed accordingly, and a claim for refund of travelling expenses incurred made at the end of the School Year, 1951-52.

You are requested to ensure that the form is completed in every detail before returning it to me. Much inconvenience and delay is caused when forms have to be returned because information required is omitted. In particular, your attention is drawn to the need for the Headmaster's/mistress's signature and your own signature. Your attention to these and other details will facilitate the work entailed in dealing with your application.

Yours faithfully,

J. Lymer
Divisional Education Officer. 105.
