

Those who are about to leave are usually anxious to do two things : to keep in touch with the school and to show their gratitude. It is possible to do both these things by contributing and subscribing to the School Magazine.

Since the Balshavian is a record of the previous term it is assumed that all July leavers will wish to buy a copy of the September edition. Although the postage on each copy is seven pence, we are able to offer to send the magazine post free. If you wish to receive a copy of the September edition you should indicate this on the form below and hand it together with 2/6d. to Mr. Rowley before the Monday of the week in which you leave. We are also able to offer three years' supply of the School Magazine for those who are interested in maintaining contact with the school. The nine editions will be sent to you for a cost of only 15/-, meaning in effect that you will receive three editions free of charge.

Another way in which you can help is to send news of your future life (appointments, awards, degrees, marriages, etc.). Letters and articles by old pupils are always most welcome and should be sent to the Editor at the School.

We hope that you will take this opportunity to keep in touch with old friends.
