July 2017.

Dear Parent/Guardian,

Thank you for your interest in Guitar lessons at Balshaw's High School. Pupils who have Guitar are encouraged to join in with concerts and shows as soon as they are able.

Lessons are delivered on a rotation so the same curriculum lesson is not missed each week.

Students can have a 15 minute or 30 minute lesson, at a cost of £7/£14 per lesson. The fees are payable a whole term in advance.

To discuss or arrange lessons please email me or call me on the above details and check out the website for further information.

Thank you for your continued support of your talented children!

Yours Faithfully,

*Carmel Galea*

Mrs C. Galea
