

Thursday 17th September 2020

Dear Parent / Guardian

To support your son / daughter in their GCSE studies each department recommends revision books and resources to purchase. These are available at heavily discounted rates if purchased through school. It is advised that these resources are purchased at the start of Year 10 and students should use them regularly as part of their independent study routine throughout Year 10 and 11. To avoid you being inundated with letters from every subject please find attached a list of resources that our Curriculum Leaders advise students to purchase for their subject.

Can you please discuss with your child and complete the attached form, indicating which resources you wish to purchase for your son / daughter for their chosen subjects. Please can forms be returned to form tutors by Friday 2nd October so that we can place orders to arrive in school by half term. The resources for your child's subjects will be available to pay on Parentmail from next week until Christmas.

Kind regards

Mrs S Thomasson
Assistant Headteacher
