

Dear Year 9s and Parents/Carers,

Please find below the link to the KS4 Information Booklet which is now available to view and will tell you everything you need to know about this year's Options process. The page of the website has a range of links and will guide you through the process over the coming weeks. One thing to remember is that it is not a race to get the online form completed as the forms will only be sorted and collated once the 18th March deadline has passed. With this in mind, the online forms will only be available from Monday 22nd February, which will hopefully ensure that everyone has sufficient time to read the necessary information which will, in turn support our students making informed choices.
