Safeguarding Governor	Keith Woodcock Paul Davies	k.woodcock@balshaws.org.uk p.davies@balshaws.org.uk

Your child's online work- As your child is completing more work online we wanted to ensure you have very clear reporting routes so you/your child can raise any concerns whilst they are online. As well as reporting concerns back to school by email or phone we would also like to signpost you to:

- Childline - for support
- Report Harmful Content - to report and remove harmful online content
- CEOP - for advice on making a report about online abuse

Online Tutors - Parents and carers may at this time choose to supplement your child's school work with support from online companies and in some cases individual tutors. We would like to emphasise the importance of securing online support from a reputable organisation/individual who can provide evidence

that they are safe and can be trusted to have access to children. Support for parents and carers to keep their children safe online includes:

- Internet matters - for support for parents and carers to keep their children safe online
- LGfL The National Grid for Learning - for support for parents/ carers to keep their children safe online
- Net-aware - for support for parents and carers from the NSPCC
- Parentzone - for support for parents and carers to keep their children safe online
- Thinkuknow - for advice from the National Crime Agency to stay safe online
- UK Safer Internet Centre - advice for parents and carers

Online Support for Health and Wellbeing

Young Minds – Support for young people’s mental health

Kooth – Online support for young people

Kooth.com

Online support for young people

We would like to remind you of the availability of our online service to support the **wellbeing** and **resilience** of your students.

Kooth is a web based confidential support service available to young people. Kooth provides a safe and secure means of accessing mental health and wellbeing support designed specifically for young people.

Kooth offers young people the opportunity to have a text-based conversation with a qualified counsellor. Counsellors are available from 12noon to 10pm on weekdays and 6pm to 10 pm at weekends, every day of the year on a drop-in basis. Young people can access regular booked online counselling sessions as needed. Outside counselling hours' young people can message our team and get support by the next day.

When students register with Kooth they will have support available to them now and in the future. Support can be gained not only through counselling but articles, forums and discussion boards. All content is age appropriate, clinically approved and fully moderated.

**To find out more visit [kooth.com](https://www.kooth.com)
where young people can register
and others can find out
more about the
service.**
