

Dear Parent/Carer - Thursday 19th March

Following the decision to have only Year 11 in school for Thursday and Friday, the latest news that students will not be taking exams means I will understand if you choose not to take any unnecessary risk with your child's and your family's health in sending them into school before we officially close on Friday.

We will await further news about what will be happening as part of the GCSE assessments and keep you updated.

If you still wish to send your Year 11 child to school tomorrow, please email partialclosure@balshaws.org.uk to let us know so that we can check that they have safely arrived.

Your sincerely

Mr Steven Haycocks
