

Dear Parent/Carer

We have had a number of enquiries about the collection of revision guides. We will distribute revision guides when it is safer to do so – when lock down is hopefully lifted in March.

We will be in touch closer to the time to make you aware of arrangements. In the meantime, the work set on ClassCharts will support your child's learning in readiness for assessment together with the resources available on the Student Apps area on the School's Website. <https://balshaws.thelearningwall.co.uk/wall/student-apps>

Kind regards

Ms Kate Kidd
School Business Manager

Your Word is a lamp for my feet and a light on my path. (Psalm 119, vs 105)
