Y10 Taster Day Package & Y11 Offer Holders' Virtual VIP Event

Good Afternoon,

I hope that half term treated you and your families well, and your school communities remain healthy and positive.

I'm delighted to say that we will be sending through our **Year 10 Taster Day package the w/c 15 June**, and will also be hosting a further **virtual online event the w/c 22 June**, which I will send more details about soon.

We hope that this will be something that your Y10 students will find really useful in the absence of a visit to us, and help them to see the future as something really positive and exciting, even if the present is a bit hectic! It will contain a dedicated webpage, as well as dedicated activities and lesson plans as part of the package, it will also be relevant for use throughout Year 11 as well if the current situation means it can't be looked at this Summer.

Thank you too for helping promote our Year 11 Offer Holders' Virtual VIP event, we've had a huge amount of interest in this and the fun begins next Monday the 8th June, and there is still time for your Y11's to [register here](#).

Thanks again for all your help and support, and as ever if there is anything we can help with please just let me know.

Many Thanks

Timothy Cahill
