SAFEGUARDING CHILDREN

Keeping Children Safe

In line with Keeping Children Safe in Education September 2021 we do everything possible to prevent people who pose a risk of harm from working with children in our school. We adhere to Safer Recruitment and Selection guidelines. We incorporate measures into our recruitment and selection procedures that help to deter, reject or identify people who may abuse children or who are otherwise unsuited to work with them.

We can all play a part in keeping children safe whilst working on or visiting the school site. This is whether you are directly employed by the school, or working as a contractor or sub-contractor, or a volunteer.

Keeping Ourselves Safe

Everyone who comes into contact with children, whether paid or voluntary are responsible for their own actions and behaviour. You should avoid any contact which would lead any reasonable person to question your motivation and intention.

We must also take steps to keep ourselves safe. Our actions can sometimes be perceived in a way that was not intended. We want to promote safe working practices for everyone on the school site, whatever your role. To keep yourself safe please follow our Code of Conduct.

- ✓ Do treat everyone with respect;
- ✓ Do provide an example you wish others to follow;
- ✓ Do plan activities so that they may involve more than one person or at least in the sight of others;
- ✓ Do respect a child's right to personal privacy;
- ✓ Do remember that someone else may misinterpret your actions however well intentioned;
- ✓ Do not make inappropriate comments or have inappropriate banter with children;
- ✓ Do not jump to conclusions without checking facts;
- ✓ Do wear your visitors' badge/lanyard (security pass system) at all times;
- ✓ Do be aware that verbal interaction with students may be interpreted by them as offensive or as harassment even if this was not your intention;
- ✓ Do report any unacceptable/inappropriate behavior from a student;
- ✓ Do be aware that contact made outside of the school environment as a result of you coming into contact with a student whilst you are on a school site, may have an impact

- ✗ Do not respond to verbal or physical contact from students. If this occurs, or you have any other concerns about student behaviour, then report it to the member of school staff who is working with you.
- ✗ Do not give any personal information to any student, for example your name, address, telephone or mobile number, email address or personal websites. Do not accept or respond to a student attempting to give you personal information, for example their name, address, telephone or mobile number, email address or personal websites;
- ✗ Do not make personal comments, judgements or observations about a student's behaviour, background or family. Never make a comment to a child that you would not make in front of another adult or a member of the child's family.
- ✗ Do not be in an unsupervised one to one situation with a student.

Worried about a child?

Abuse (physical, sexual, emotional) or neglect can have a damaging effect upon a child's health, education, attainment and emotional wellbeing.

Changes in a child's behaviour may not necessarily indicate a child is suffering abuse or neglect. However, if whilst working with a child you become concerned, please report these concerns to the class teacher immediately.

Disclosures of Abuse by a Child

Whilst this can be an alarming situation, it is important that you know what to do in such an Eventuality.

- Stay calm and controlled; listen to what is said without showing shock or disbelief.
- Accept what is being said.
- Allow the child to talk freely, listen rather than direct by asking questions.
- Reassure but do not make promises you cannot keep.
- Explain that you will talk to the Designated Safeguarding Lead (Mrs Wilson) so that they can help.
- Do not ask leading questions or interrogate.
- Stress that talking was the right thing to do.
- Record details immediately and attempt to use the exact words or phrases used by the child; sign and date this.
- Immediately report your concerns and give any written information to the Designated Safeguarding Lead or Deputy.
- It is important to remember that children's details must remain confidential and within school.
