

Dear Parent/Carer

We hope that your son/daughter is able to make the most of today's Learning Consolidation Day to catch up on any work missed and to submit any assignments that may not have been uploaded yet.

- If your child is in the good position of being up-to-date with everything then we have created this page of extra-curricular activities and experiences for them (and possibly the whole family) to enjoy:

- We hope that you are also making the most of Careers week which we are now almost halfway through. Your child has the opportunity to engage with some amazing local, national and multi-national employers.
