

Dear Parent/Carer

Just emailing to outline some frequently asked questions about the Prefect and Steward Application forms. In light of our current closure and the unprecedented circumstances we are working in, please let your child know that they should not worry about submitting their Prefect and Steward Application forms by the deadline which was this Friday. They do **NOT** need to scan/email/post it to school. I have spoken to all Year 10 Tutors and Heads of House about these applications and Tutors will do relevant references whilst we are closed. Students should ensure they bring their completed application forms (with or without staff supporting signatures) back to school with them when we re-open. Obviously details will be given when that time nears.

Thanks for your understanding and take care of yourselves.

Kindest regards

Angela Wilson

Deputy Headteacher
