

20th November 2020

Dear Parent/Carer

Please could you inform your son/daughter that for the duration of the Mock Examinations and up to the Christmas break there will be no P6 sessions with effect from Monday 23rd November. These will resume in January with targeted interventions for some students and they will be structured differently. Once the analysis of the mock results is completed in December and January the structure of the P6 intervention/support will be determined and details will be sent to students and parents.

Thank you for your continued support.

Mr J S Morgan

Deputy Headteacher

Your Word is a lamp for my feet and a light on my path. (Psalm 119, vs 105)
