About Balshaw's

Balshaw's enjoys the privilege of being one of the most successful schools in the county and the most over-subscribed school in South Ribble. We believe that this is deservedly so.

As a school rooted firmly in the Christian ethos, each student in our care matters deeply to us. However, as an authority controlled school we do not operate any entry criteria and the school is available to students of all abilities, interests and aptitudes. Nevertheless, in following the school motto: (*non sibi sed aliis*) 'not for self, but for others' we aim to create students whose actions reflect the love of Christ as we develop them into full and well-rounded young adults ready to make valuable contributions to our society.

Balshaw's has a proud history of academic excellence for students dating back to 1782. The school adds significant value to its students from their starting points in Year 7 to the time when they leave in Year 11. Many will go on to study at Runshaw College, which was originally the Sixth Form of Balshaw's, and others will take up apprenticeships or employment.

Equally important to us is the richness of opportunity available to students at Balshaw's. Set in 21 acres of beautiful land, Balshaw's staff provide extra-curricular opportunities that other schools could only hope for. The huge range of clubs and activities have taken many of our students on to careers in sport and media with a number of well-known alumni.

Those who come to teach and work at Balshaw's will have fantastic opportunities to progress their careers and gain a wealth of experience. That said, Balshaw's also enjoys an incredibly stable workforce and when you hear the phrase 'Once a Balshavian, always a Balshavian' you will realise it to be a truth. The school is only on its 14th headteacher in its 244-year history!

Balshaw's is more than a school – it is a family. This post offers you the opportunity to become part of the Balshaw's family where you will be able to make a difference to the lives of the young people who are our future.

The closing date for this position is: **Tuesday 24th March at Midnight.**

This school is committed to safeguarding and promoting the welfare of young people and expects all staff and volunteers to share this commitment. This post is subject to an enhanced DBS disclosure.

Please note that in line with Keeping Children Safe in Education 2025 an online search will be carried out as part of our due diligence on shortlisted candidates.

Summary

It is said at Balshaw's that "Once a Balshavian, always a Balshavian." This is very true – a number of staff are previously students of the school and there is a very small turnover of staff either through retirement or promotion. We hope that when you visit our school you will get a strong sense of the Christian family values that underpin what we do.

Lighting the path to excellence through Christian vision and values.

Gospel values of love, forgiveness, friendship, kindness, truth, patience, respect and humility are the foundation for decisions made in the Balshaw's family. Our aim: to develop students of whatever their faith or world view, who will reflect Christ's love within our community and wider society.
