SINGLE EQUALITIES POLICY

1 Statement of Principles

The policy outlines the commitment of the staff, pupils and governors of Banks St Stephen's CE Primary School to ensure that equality of opportunity is available to all members of the school community. For our school, this means recognising and addressing barriers, which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community.

This policy ensures that the school is compliant with the Equality Act 2010, Section 149 (Public Sector Equality Duty).

(c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

(2) A person who is not a public authority but who exercises public functions must, in the exercise of those functions, have due regard to the matters mentioned in subsection (1).

(3) Having due regard to the need to advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it involves having due regard, in particular, to the need to—

(a) remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;

(b) take steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of persons who do not share it;

(c) encourage persons who share a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low.

(5) Having due regard to the need to foster good relations between persons who share a relevant protected characteristic and persons who do not share it involves having due regard, in particular, to the need to—

(a) tackle prejudice, and

(b) promote understanding.

(6) Compliance with the duties in this section may involve treating some persons more favourably than others; but that is not to be taken as permitting conduct that would otherwise be prohibited by or under this Act.

(7) The relevant protected characteristics are—

- *age;*
- *disability;*
- *gender reassignment;*
- *pregnancy and maternity;*
- *race;*
- *religion or belief;*

5 Monitoring and Review

Equality objective

- **Be ambitious for the achievement of disadvantaged children and increase the number of disadvantaged children working at a higher standard of attainment in all areas of the curriculum.**

St Stephen's is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We collect and analyse a range of information for our pupils/students:

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.

School performance information is compared to national data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Attendance
- Exclusions and truancy
- Racism, disability, sexism, homophobia and all forms

of bullying

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Banks St Stephen's CE Primary School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation.

We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

We collect and analyse a range of profile information for our staff and governors, for example, applicants for employment Equal Opportunities Monitoring Forms, attendance at training events, disciplinary and grievance cases and staff appraisal/performance management.

It is essential that all members of staff, governors and parent helpers sign up to our confidentiality policy to protect all concerned.

Due regard is given to the promotion of equality in the School Improvement Plan. The person responsible for the monitoring and evaluation of the policy is the Headteacher.

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions;
- Work with the governing body on matters relating to equality;
- Support evaluation activities measuring the impact and success of this policy.
