Brass lessons lessons for Year 5 begin on Thursday 24th September. Exciting! Lessons will follow Covid guidelines and the children will not share instruments.

House system

We would like to have 4 school houses, named after significant places and families in the area:

The initial ideas have been:

- Scarisbrick House**
- Greaves House**
- Hesketh House**
- Fleetwood House**

If you feel there are other suitable names for Houses, please let me know and we can put it to the vote.

Parent governor

I am pleased to tell you that our new parent governor is **Sean Marsden**.

We sincerely apologise for the delay in sending home reading records. They arrived yesterday and will be sent home as soon as possible.

We have designed a new website and the website photographer is coming on Tuesday morning. He will take high resolution photos of the children in school to put on the new school website. No names will be attached to the photos. If you have specified “no website” in our records, your children will be asked to stand to one side while the photos are being taken and we have records of preferences for all the children. If you wish to change your preferences for the website, please let your child’s class teacher know in writing or contact the school office today or Monday and they will let the teachers know.

The pond area near the forest has become sadly overgrown over a number of years and it will be a big job to clear the area. Mr Cropper is organising a working party. If you are able to help or have expertise in ground clearance, please talk to Mr Cropper or me.
