REMINDERS

Children still need to bring coats—the weather has been very cold! Every day this week we have had children shivering in the playground—please send them with a coat!

Please continue to wear a face covering on the playground. Sadly there is a spike in Coronavirus cases in Southport.

Please keep young children off the trim trail. It is used on a rota basis by junior children and is quarantined.

Have you made your appointment for Parents' Evening next week?

SPORTING AND OTHER EVENTS

Today: Parliamentary Debate in School Hall for Y5/6

All of Y6 formed their own parties, presented their policies to Y5 and took questions. Excerpt from Lilli's campaign speech on behalf of The Royal Crowns Party, whose policies focus on Jobs, Education and the Emergency Services : *"Some of the subjects taught in high school and college should be taught in primary school for the older and more mature members of the school to provide a wider curriculum"*. Impressive!

Next week: Sports Council Meeting and Y5 Bikeability

Y6 visit to Flavourfresh to see farming technology in action

Whole School Competition to design a new stamp. The prize is £1000, so well worth entering! Mrs Mussell will announce the details on Monday.

Today: Orienteering Interschool Sports Competition at Tarleton Academy. Mr Richardson said it was very well organised and the children represented the school really well with their fantastic behaviour.
