SMART UNIFORM AND OTHER REMINDERS

- Please keep young children off the junior trim trail before and after school
- Long hair tied back
- No trainers unless you discuss the reason for this with the class teacher
- No jewellery. Thank you for not wearing earrings but we are seeing bracelets etc in a few classes
- No rucksacks. This is because there is no room in the cloakrooms for these and they all end up on the floor. Bags such as re-usable carrier bags, book bags (which are kept in class) and PE bags are fine.
- No scooters and bikes ridden in the playground
- Please send your child to school with a water bottle
